MP thanks LG for raising Ladakh's Budget cut issue with Fin Min

Blames JTN for Budget underutilization, calls for unity and action

EARTH NEWS SERVICE

LEH: Hon'ble Member of Parliament from Ladakh, Mohmad Haneefa Jan has expressed gratitude to the Lieutenant Governor Brig. (Dr.) B.D. Mishra (Retd.), for raising the issue of budget reductions in the Union Territory with Union Finance Minister Nirmala Sitharaman. Calling the matter critical to Ladakh's progress and welfare, Jan emphasized the need for a unified approach to secure adequate funding for the region.

In response to the budgetary challenges, MP Jan convened a meeting with the Hon'ble Advisor to the LG and the Executive Council of the Ladakh Autonomous Hill Development Council (LAHDC) Kargil. During the discussions, a collective decision was made to advocate for Ladakh's rightful budget allocation with both the Ministry of Home Affairs and the Ministry of Finance. Jan also met with LAHDC Leh Chief Executive Councillor Tashi Gyalson to solidify a united stance on Ladakh's larger developmental issues.

Jan assured the people of Ladakh that he would raise the budget concerns in Parliament to draw attention at the highest levels. Additionally, he confirmed that discussions with the Ministry of Home Affairs and the Ministry of Finance were productive. The ministries assured him that the issue is being addressed, with a formal request sent to the UT administration for a detailed assessment of Ladakh's budgetary needs.

Highlighting a consistent pattern of

budget underutilization since Ladakh became a Union Territory, Jan criticized political distractions, urging former MP Jamyang Tsering Namgyal to focus on constructive contributions rather than unproductive politics. He emphasized that addressing the financial challenges requires action and collaboration rather than blame.

"The people of Ladakh deserve leaders who prioritize their welfare," said Jan. "With unity and determination, we will overcome these challenges and secure a brighter future for Ladakh."

Jan reaffirmed his commitment to ensuring Ladakh's concerns are heard and addressed on every platform, promising sustained efforts to protect the region's interests.

Ladakh launches Natural Karkitchoo Apple Juice

EARTH NEWS SERVICE

KARGIL: Ladakh's food processing sector has taken a significant leap with the launch of the region's first-ever Natural Karkitchoo Apple Juice. Produced by the Kargil Food Processing Unit, the product is 100% pure, made exclusively from locally sourced Karkitchoo apples, and contains no preservatives or added water.

Highlighting the product's authenticity, Haji Mohd Mirza owner of the processing unit said, "Our Natural Karkitchoo Apple Juice is pure and free from any additives, ensuring a completely natural and healthy experience for consumers"

sumers."
This innovative initiative follows the successful export of Karkitchoo apples, further showcasing the untapped potential of Ladakh's agro-industry. The processing unit, known for its diverse range of products including apricot and

seabuckthorn jams, tomato purée, and pickles, continues to pioneer sustainable and high-quality production in the region.

Since Ladakh's designation as a Union Territory,

government support has bolstered agro-processing ventures, leading to significant growth in the sector. The Kargil Food Processing Unit stands out not only for its product innovation but also for its contribution to the local economy, employing sev-en individuals directly and benefiting countless farmers through the procurement of raw materials. While the primary markets for the juice are Kargil and Kashmir, Haji Mirza emphasized the growing demand from outside Ladakh. He called for a stronger marketing platform to expand the reach of local products. "The support of the Industries Department has been crucial, especially in promoting our products at exhibitions, but more robust marketing strategies are needed," he said.
